We send the seasons greetings and wish you all an active and enjoyable year of camping in 2005

Hoping to see you during the year at one or other of the following events

If you wish to be sited on the Knaus Club area then you must book in advance direct with Warners Group showing you are a Knaus Club member. Where a membership number is requested just mark n/a (not applicable). Normally this ensures a £2 reduction.

The event will be co-ordinated by Bill & Jean Sier, so please let them know when you have booked.

**Kelling Heath Park, Nr Holt, Norfolk - 23 - 27 June, 2005**

Time to explore Norfolk

This is a lovely site in natural surroundings with views over to the coast and has won several awards, in particular from David Bellamy. I have booked 12 pitches with electrics for the five nights. The tariff will be £14 per night, all inclusive, which is a £4 reduction on the normal cost. This seems a little expensive but is in line with most commercial sites and with the two large Caravan Clubs.

When booking please state you are booking for the Knaus Owners Rally and I would be grateful if you would also advise me of your booking. We hope to arrange a programme if we get the numbers.

**CARAVAN SALON DÜSSELDORF- 26 August to 4 September 2005**

International Leading Trade Fair for Caravanning - Internet: <http://www.caravan-salon.de>

Jill & I are planning to attend on Tuesday 30 August. We will probably travel over a few days before and stay on in Germany for a few days afterwards. There is plenty of accommodation for motor homes but sites cannot be booked in advance. A number of you have already shown interest in attending. It would be nice to be there as a club and contact should be easy by using mobile phones. Those interested please let me know and we can firm up on detail nearer the time.

**Northern Motorhome Show, York - 16 - 18 September 2005**

This is likely to be a Club venue again - more details later

- Bill & Jean Sier have advised us of the Motorhome & Caravan Jamboree & Leisure Show to be held at Detling, nr. Maidstone, Kent on the 20-22 May, 2005. If anybody is interested would you speak with me or Bill (01353 860914) and we can consider the situation.
- Also from Bill Sier is the information that the dealer - Wellsbridge Sales, in the Fens, at Ramsey Forty Foot, Ramsey, Cambs., offers free overnight parking on 32 acres of parkland if you are visiting - perhaps a few of you might like to meet up there at some time?

**INSTRUCTION MANUALS**

Following several requests Jill has made contact with a lady in Customer Services at Knaus and she has been helpful in copying and sending us copies of instruction manuals for a large number of earlier models. These are mostly in German, as presumably these were not models originally sold in the UK. However, they could still be of use and certainly better than nothing. Anybody still needing them would have to cover the cost of photocopying as I shall keep them as a library. We can't promise to translate a whole manual, but any tricky 'bits' we will do our best to help.

So if you are missing a manual then contact us and we will check the list.
