

7th February 2018 – Letter from Membership Secretary

Dear Member,

Last September at the AGM I took over from Bill Lowes as membership secretary.

Bill had done an astounding job for the last few years, many thanks Bill for that, I just hope I can continue to keep the membership records as well as he did.

On receiving the files with the membership going back to 2007, I can see quite a few are out of date, and I am sure several of you have changed your motor home or moved. In order to update the records I would appreciate it if you could once again fill in a membership form and return it to me with your subscription for 2018 of £5.00 due by the end of April.

I would like to welcome fifteen new members joining in or after September 2017, who will not have to pay subscriptions for this year 2018.

We are hoping to have a good attendance at the Peterborough show in April from the 19th until the 22nd, I know some members have booked already. Entry closes on the 4th of April, don't forget when filling in the form to apply for the club site, and to use your membership number to get the discount.

Any queries do not hesitate to call me on 01845525532

Best regards Christine Bourner
