

From Andrea (Wolfe-Hamblin)

Hello everybody

This is just a quick reminder that our club, will be rallying at the Warners Midsummer Show next month, which is to be held at Stoneleigh Park, Warwickshire.

It is the first time that we will have rallied at this very central location, and Kevin and I are looking forward to welcoming old friends and new members. It is an ideal location if you want to visit Warwick, Stratford-on-Avon, Leamington Spa, and there are many other places of interest in the area. The Warners organised bus trip is to Stratford-on-Avon.

The camping fields will be open from **Thursday 20th to Monday 24th June**, and the closing date for booking is **Wednesday 5th June at 2pm**.

To enable you to join our club rally please remember to put the club name and your membership number on your booking form-this will also get you a £2 discount.

We hope that you will be able to join us.
